Excel spreadsheet for character management and task tracking. The spreadsheet includes sections for character stats, skills, and a detailed task matrix for project management.

**Task Matrix Model:**

- Columns:** Task Name, Status (Not Started, In Progress, Completed), Start Date, End Date, Priority.
- Rows:** Individual tasks or categories.
- Functionality:** Tasks can be filtered by status, date, or priority. A color-coded system indicates task status (green for completed, yellow for in progress, red for not started).

**Expense Calculator Model:**

- Columns:** Category, Amount, Date, Description.
- Functionality:** Allows for tracking shared expenses and calculating individual shares.

**Project Management Templates:**

- Task Matrix:** For tracking specific tasks and deadlines.
- Expense Calculator:** For managing shared costs.
- Calendar:** For scheduling tasks and events.
- Task List:** For creating a daily or weekly to-do list.
