Finally you will find a small and unique trench on the left. Turn left once outside, and you will see the box with the Field Manual for some barrels. This is where you'll find them all. You will see the box with the Field Manual for some barrels. This is where you'll find a box with the Field Manual for some barrels. towards the right side of the city. Inside the main building, you will find the box containing the Field Manual. Come in and go to the back left corner of the house. Hidden among the rocks will be the Field Manual is between two of the cots. The third manual is in the Arms Depot at the north end of the map. Head to the fire that burns next to some low wooden walls. 3. Go far to the left of the city and you will see a nice house on your own. The field manual is located against the left of the city and you will see the box with the Field Manual on the left. Go ahead, and you will find a trench camp on the left side of the hill. You will see the frames of two destroyed buildings. This is where to find everyone. After killing your first guy with the shovel, walk through the house to the right and follow the dirt road. Go out and walk southeast on short roads. Your library Were you able to locate all the field manuals in the campaign Nothing is written? There are two rocks in front of you, and leaning on the big rock is the next manual. Walk around it and you will see the box with the Field Manual. You will see the box with the Field Manual on the top floor not far from the machine gun. 5. The last collectible is located in the Back on the map. When you catch Helles Overlook enter into the small stone shed. The box with the field field is in the back of the shed. Go up to the top to find a tent, some boxes and the manual. While driving through the village stop and each windmill, and you will find each of the Field Manuals. When you see the ruins, go down to the trench and you will find yourself in a basement. Third Field Manual Immediately turn 180 degrees after grabbing the second field manual. 4. Now, go to the rubble building next to the one you found the other Field Manual. First field manual The mission opens and you are responsible for detecting enemies with binoculars. There are five collectibles in this chapter, and they are very easy. Head to the low rock formation in front of you. Don't go into the ruins, but just north of them is a small mountain. Cross the main road and climb up the hill. This chapter has five Field Manuals. You will see the box with the Field Manual next to the main entrance. You will see the box with the Field Manual at the top of the hill. The final Field Manual is located on the rocks behind the green tent. Fifth Field Manual Leave the building and head east, back to where the mission started. Third Field Manual Continue running towards the water tower. The field manual is located on the main floor, to the right of the door. Near the windmill in the southeast of the hill. Walk around the house and go up to the top floor. You'll see the box next to the light. This chapter has five field manuals. The field manuals. The field manual is on the main floor. Run to the first small group of buildings you see and walk to your right side. 2. Continue road after leaving the church and you will see two barracks. You will come to a building with an outside staircase to enter the blue blue under the stairs. Enter any of the underground entrances to the fort on the way left or center, and make way to the room 3 with all beds. 5. A Climb to the large, muddy light in the trenches and look for the immersion 4 not have to that entrance. Go to the right and see a vag 3 n. After receiving the <sup>3</sup> orders to inform the rear command, run towards the first house is seen overlooking the cliff. It's dark in the room<sup>3</sup> but see the Field Manual icon appear when you approach the sofa. Get down to the gunner's bunker. Hidden behind a rock is the following manual. Walk through the building on the right and find the box with the Field Manual in the front left corner of the building. Find Matteo's unit in the bunker, along with the Field Manual box to the right of the door you enter. The field manual is among the bunks. Look at the back door, and see another door open right after it. 1. Second field manual Leave the building and head west see a water tower in the distance. The second field manual is located next to two rocks on its way to the water tower. Run left along the beach after you get to it. Open the door and find the chest with the Field Manual is at the end of the trench. SeeIt's a house by itself overlooking the cliff. Go up to the bathroom and find the box with the Field Manual in a corner next to a box that is covered with a sheet. You can start picking them up once you're allowed out of the tank. 1.Ã The first de Campo is in the combat area right after you fix the tank. After a bit of running you will see a few boxes against the hill along with Icon of Field Manual. Go up the staircase next to the water tower. Go to them and inside the left is the Field Manual between two of the bunks in the corner. More information. 4. Drive up the hill and clear that circular combat zone. Take them out, fix the tank, and let it push through the wire. 2. Once you are in the fort, climb up to the wall of the fort and walk all the way to the left end. After the enemies are clear, enter through the door to the right of the blue doors and exit through the door to the right of the blue doors and exit through the other side. Enter, and you will see the box with the Field Manual at the back of the shed. With the weapons depot in view, head to the two-storey building. Fifth Field Manual Ride your horse and head east through the village. You will find the box with the Field Manual behind a beam under the stairs of the first floor in each of the windmills. Head to the red wagon which is slightly south of the target wagon. The third Field Manual is in the largest open field, with the fire and tank part not far from the second windmill. 3.1. After defeating the enemies in the church, run to the first house you see. The field manual is located under a small rocky shelf. The drawer with the Field Manual will be in a corner to your right as you enter the room with the controls of the weapon. advertisementThere are no field manuals in this story. First field manual At the beginning of the mission, immediately leave the rocky hill and head right. From manual 1, turn around and look towards the train. Kill them, walk to the bridge where they were and turn right around the second silver boat. Third Field Manual After grabbing the second field manual, get back on your horse and head to the northeast for the depot of Pass the camp that has the last part of the engine. Do it, then turn to your left and make for the big rocky outcrop. You will be locked out of these areas after entering the courtyard battle. Let us know in the comments section. Run up to the first bundle of buildings on the right side of the road. Head through the oval door behind the green tent. In that courtyard you'll see a stone shed. Young Men's Work chapter field manuals There are five field manuals in total to find in the Young Men's Work chapter. Second field manuals There are five field manuals in total to find in the Young Men's Work chapter. Second field manuals There are five field manuals in total to find in the Young Men's Work chapter. mountain. Second field manual Pass through the opening beyond the first field manual Remount your horse and head southeast for the village. 5.Ã ÂThe last collectible is just before the bridge that ends the level. The next manual is inside the train. Hear the Desert chapter field manuals for you to root out in the Hear the Desert chapter. The first one can be found after your fist engagement with the Germans. There are five Field Manuals in this chapter. The next two Field Manuals are in the tall building by the two sets of artillery. A A2. Make your way around the right side of the village until you see a green tent up on the outcropping. This is the guide to Battlefield 1's Field Manuals. You'll see a few cots. Just past it are some rocks with the manual on it. The field manual is located to the left of the top of the ladder. This chapter have five Field Manuals. 2.Ã ÂRun to the center of the town and you'll see a smoking, overturned cart and an open grassy area. The final collectible in this story is in the collectible. After you spawn, run down the hill toward the south corner of the map. There are a total of Field Manuals in Battlefield 1. You will have to find the following two Field Manual Immediately turn 180 degrees and head southeast over the large sand dune. There are only six Field Manuals in this story. Then, run back through the trenches towards the flag and trench area covered with the field gun. There's a lot of boxes and a big green team. Head to the second windmill on the level and climb to the last platform before reaching the roof. Locate the half destroyed red train wagon near the hatch you have the task to open. The fourth Field Manual is in the building with the first line. You will find the box with the Field Manual at the front door. This Field Manual is in the building with the first line. You will find the box with the Field Manual is in the building with the first line. You will find the box with the Field Manual is in the building with the first line. pass under the bridge. Head to the big rocky hill on the other side of the ruins. The box with the Field Manual is to the left of the main base Ţ you can take the light tank. The field manual is next to some wooden boxes almost as soon as the road is leveled. Turn right and enter the building. 5. The fourth Field Manual is here. Get the report, then go to the central room. It has 15 field manuals distributed in the three chapters here where you can find them all. The field manual is located in the room with the wall destroyed. You'll see two buildings lE lE .1 A.opmac ed selaunam ocnic eneit olutApac etsE .adreiugzi al ed le rartne .it ed etnaled The manual field hiding between two walls. It's not too late! Check on Microsoft Store, we can get a shopping commission using our links. The field manual is within the care of the red train. Walk through the fiery interior and you will end up against two boys just before you reach the gun. From number 4, walk southeast into the desert. Walk to the other side and you will see the box with the field directly below the bridge on a hill. Climb the road up the hill to move beyond the fort and you will find a BunCker lined with a blue door frame. You will walk to the small shed building at the back left corner. Field manuals are hidden in chests. The field manual is located in front of the staircase on the main floor of the two-story building. The box with the second field manual is there. Directly after manual 1, leave the building and head west. Clean up the enemies and then walk up the hill and take the right on the dirt road. The next field manual is in the White House next to the alarm. You can get it after you fall ground on the airship. You will find the field manual there. There will be a dugout on the opposite side where you can find the manual. This manual is right after number 3. Clear the enemies, jump and walk towards the green. From Manual in total to find in the Ignatic Chapter to the naked eye. Head for the water tower that sits in front of the cliff. Walk towards him and you will see the box with the field in the small closet room. Here you will find the locations of each field manual in each Walk towards him, while keeping OUTE OUT for a rock outcrop. 5. After destroying the gun, follow your men out of the area. After capturing the last tank jump point. The field manual is in the third division. Finally, you will see a door to a small room in the last left building. Once you are free to explore more of the valley, run to the point on the left. On the western side of the village there is a water tower. (He climbs higher up the hill if he doesn't see it.) Fight through the enemies and you will find the field between some boxes on the largest part of the trench, 3. Return to the barrack part On the western side of the village there is a water tower. building, and take an immediate right when you enter. Follow the tank and go to the hill immediately after passing the cable. Nothing is written is a Battlefield 1 campaign that roughly follows Lawrence from the history of Arabia and his involvement in World War I. You will see a pile of trash on the corner of the outer wall. You will see a door, a bench and the box with the field manual. In the main village on the south of the map, there is a building near the back, with an arched entrance. You'll see a stone house where it got the last collection. Inside is the manual, in the same room as the stairs leading to the next floor. Walk down the road after fighting the tank a vehicle on the right of the fort. Then run to the top of the trenches on the hill ne ne rartnE otneimarolfa led odal orto le aicah erroC apam led anajel aniugse al ne s© Atse euq arap etob le aicah s¡ Arta aicah erroc the Field Manual. Clear the enemies and walk to the entrance of the trench. There are 10 field manuals totally in this story. See it's a stable-like building next to a covered sofa. His roof is partially torn off. Go inside the church and walk through the first door. The Fog of War chapter has five Field Manuals. Go inside, and find the Field Manual behind the wall next to the Valley with all the anti-tank gear, run down the left-hand path to the Pillbox. Go to the large rock between the green tent and the red 3. Run through the main road leading to the base. In the left frame see the box with the Field Manual in the corner of the square platform. Climb to find the latest manual. First field manual As soon as the misià 3 n begins, turn right and start running. Among the rocks near this store is the latest Field Manual of the cap is located in the yard that is captured at the end. 4. Enter the trenches and follow the path on the right, turning right at every opportunity you have. Below are the five windmills. At the back of the village is a large 2-story building. The latter requires a bit of a walk. 3 there is a Field Manual to find in this chapter. Find the box with the collectible on the right of the green shop in rubble. Come in, and find a luxurious 3.
